

Yacht management services in Kefalonia

Dear Sirs,

Please be kind enough, to allow us to introduce ourselves. Our company KEFALONIA YACHTING operates as yachts support agent and is based in the largest and most charming island of the Ionian Sea, in Western Greece.

Pleasure or Business, our expertise team can handle everything on your behalf and carry out the most demanding request with discretion and consistency. Merging our knowledge of the local businesses and our association with key suppliers and provisioners, we are able to cater all of your needs and desires efficiently and swiftly. Believing that the passengers, as well as the captain and the crew, must receive the best quality of hospitality, onboard and ashore, our service is always responding to the level of detail they expect.

VIP treatment is dignity and intelligence, always reflecting the pecuniary level you expect.

Therefore, we strongly believe that, KEFALONIA YACHTING and its people are the best choice to represent your company on our island.
